

JUNE 11, 2023 DRESS REHEARSAL & RECITAL GALA INFO.

RECITAL INFORMATION:

- Our Annual June production is held in June each year. Students are not required to participate in the recital; however, for most, it is the highlight of the year. As students work and grow together over the course of the year, each and everyone enjoys working together and counts on one another. After a student has worked hard all year, it is a feeling of personal accomplishment to perform on stage, beautifully costumed before family and friends. This special stage experience also helps with confidence, poise and personality as well as creating a lifetime of memories that is long remembered after the curtain comes down.
- Included in our Annual Performance are all Recreational and Competitive Groups, Senior Graduating Soloists, Parents Class if applicable, possibly faculty and a "Wild Card". Also in the recital will be the Top 10 Highest Scoring Competitive Soloists and Duet/Trio Routines for each age range, as well as any soloist or duet/trio that receives a Judge's Award, Power Pak Invite or Special Award or Scholarship at a competition. This will be determined by taking all scores received over the season and averaging them together. NEW: Should 1 soloists or the same duet/trio compete 2 or more routines and receive Highest Score, it will be at the discretion of the Director if they are to showcase both or one routine.
- Students are required to stay for the ENTIRE PERFORMANCE for safety purposes.

● RECITAL PREREQUISITES:

(Also, participation cannot be guaranteed until costume distributors are contacted to see if costumes can be completed in time for the Gala, as all original orders were placed in November.
