

**TRUE CREW DANCE COMPANY ELITE COMPETITION TEAM 2021-2022 HANDBOOK
A NOTE FROM OUR ARTISTIC DIRECTOR, MS. TONI**

Welcome to the 2021-2022... **THE 16th ANNIVERSARY SEASON** of True Crew Dance Company Elite Competition Team!

I am very pleased to have you as a FULL SEASON MEMBER of our growing family! This Handbook will provide you with information detailing our Elite Company rules, policies, procedures, and more.

Coming off of a very different type of Season due to COVID-19 there are many changes necessary, so please make sure to read through everything before committing. For hopeful new interested Company Elite Members, we have been the 2018 World Dance Champions, have competed at Worlds for over 4 years and our students hold numerous National, State, Regional Titles. In 2019, one of our students also received 2019 NATIONAL MR. NEXSTAR, and in 2020 and 2021 we had three additional students win Titles of Mr. Dance America, Miss Dance America, Premier Mr. Imagine Orlando, and Petite Miss Platinum Runner Upp. Further, 6 True Crew alumni has received full and partial college scholarships and have continued teaching at True Crew. With every new Season, I have raised the "barre" and we will continue to do so again! Therefore, our programs at True Crew have been revamped and reorganized so it is **VERY IMPORTANT** that you take the time to review this Elite Competition Dance Team Handbook thoroughly and let me know if you have any questions. Each dancer and their parent or legal guardian will be required to sign the Elite Competition Agreement at the end of this Handbook and hand it in fully executed once they have committed to the team.

True Crew Dance Company promotes a positive environment for all dancers where we teach that if you can believe it, you can achieve it. The Elite Competition Team requires 1000% commitment from the studio, students, parents, and staff. Our goal is to make your dance experience at True Crew Dance Company fun and educational, while developing skill, integrity, loyalty and character - with winning results!

I have provided you with the information you need to make decisions regarding your dancer(s) and the competitive program. Please make sure you are able to commit to ALL rehearsals, competitions (including Nationals and Worlds, should the studio qualify), and all other requirements outlined in this handbook prior to accepting a position as an Elite Competition Team dancer/parent.

My staff and I will make decisions that are in the best interest of the studio and the competitive team as a whole. The bar in the competitive dance world is constantly being raised and the True Crew teachers and staff are 1000% committed to meeting and exceeding that bar.

True Crew Dance Company's Elite Competitive Team has received State, Regional, National and World recognition for several years and looks forward to continuing on that path and achieving even more.

I am always available for our families and works with dancers and parents regarding any questions or concerns that arise. However, if you have a concern or question, I ask that you email me directly, regarding your situation and I will respond in a timely manner. Any issues or concerns will NOT be discussed during class time. Further, teachers are NOT to be approached and will not take time away from scheduled classes or remain after scheduled classes to discuss individual matters. All matters are to be addressed by me, the Artistic Director, and if necessary I will conference with any teacher(s).

I look forward to a successful and rewarding experience for the upcoming dance year and competition season! Thank you for putting your faith in True Crew Dance Company! I appreciate your confidence!

Keep Believing,

Ms. Toni, Artistic Director True Crew Dance Co.
